Lions Eye Institute

Our mission: To achieve excellence in scientific research and clinical practice to prevent blindness.

We work to achieve our mission through:

- Conducting research into the causes, prevention and treatment of diseases and conditions giving rise to blindness and other ocular disorders on a not-for-profit basis.
- Advancing the standards of medical eye care through education and training of the medical and allied professions.
- Stimulating public interest in the social and economic impact of eye disease through promotion of eye health awareness, community screening programs and population research relevant to prevention of blindness.

Your donation allows us to continue the important work needed to prevent blindness.
