ORTHOPTIST (LIONS EYE INSTITUTE)

Full-time role (Part-time or job share considered)
Competitive salary package
Outstanding career opportunity
Work alongside talented and well-respected clinicians with state of the art ophthalmologic equipment in the largest eye clinic in Perth

The Lions Eye Institute (LEI) is a not-for-profit centre of excellence that combines world class scientific research into the prevention of blindness with the highest level of eye care delivery. It incorporates one of Australia’s largest ophthalmic practices, including a Day Surgery Unit and a Laser Vision Centre. The LEI also houses the Lions Eye Bank, Lions Optics, Lions Outback Vision and the Lions Save-Sight Foundation WA. We are looking for a reliable and enthusiastic Orthoptist to work closely with a busy Retinal Ophthalmologist and also as a part of the larger clinic with an array of different Eye Specialists, Medical Photographers, Ophthalmic Nurses and support staff.

This is an outstanding career opportunity for a personable and committed professional to work alongside talented and well-respected clinicians and with state of the art ophthalmic imaging equipment in the largest eye clinic in Perth.

Clinical Duties include, but are not limited to:

- Initial/follow up assessment and testing of general ophthalmic conditions
- Working alongside the Clinician to help manage their patient load
- Assisting in Imaging Department
- Assisting in Clinical Trials investigations
- Assisting in minor procedures such as intravitreal injections

Applicants should ideally possess:

- Tertiary Qualifications in Orthoptics
- Registered member with the AOB
- Demonstrated knowledge and skills in Orthoptic assessments and the provision of services
• Ability to work across all eye specialties (but with a focus on Retinal)
• Ability to work in multi-disciplinary team
• Excellent interpersonal skills

In return we offer a competitive salary with generous salary packaging provisions, an outstanding career and development environment and a friendly team.

Closing Date for applications COB  Friday 02 September 2016
