Registered Nurse – Ophthalmology Day Surgery and LASIK

- Work for an organisation that does great things every day.
- Work in a unit committed to best practice in Lasik and Day Surgery.
- Join an experienced, friendly and supportive team.

Rare opportunity for a part-time dedicated RN with Ophthalmology interest/experience to join established team at the LEI Day Surgery and Lasik

The Lions Eye Institute is one of the largest eye research institutes in the southern hemisphere with national/international reputation for excellence in research and clinical care. It employs scientists, clinicians and support staff to conduct first class scientific research into blindness and incorporates one of Australia's largest ophthalmic practices.

The LEI Day Surgery and LASIK Unit provides optimum eye care through a combination of best practice in Ophthalmologic procedures, specialised medical technology and experienced and dedicated clinicians, nurses and support staff.

A rare opportunity has arisen for a part-time role to join our friendly and dynamic team to provide clinical excellence within our busy Ophthalmology LASIK and Day surgery suite.

Duties

- Work alongside a supportive Day Surgery team and assist in the efficient day-to-day running of the unit including pre-admission, recovery and LASIK.
- Ensure that patients receive the appropriate, competent and quality clinical care to the highest standards.
- Participation in flexible roster will be required

Skills & Experience

- Current Nursing Registration with AHPRA
- Demonstrate supportive and knowledgeable communication
- Experience in LASIK, Day Surgery (pre-admission/recovery) or peri-operative theatre highly regarded
- Be keen to learn and work well as part of a team
**Benefits**

- A friendly, professional work environment
- Excellent remuneration package including generous salary packaging
- Supportive environment with good professional development
- Flexibility in work rosters
